

Fauré Requiem

Saturday 27th March 2021, 6:00pm and 8:30pm

Covid-19 arrangements

To ensure the safety of both performers and audience at these concerts, we have had to put the following measures in place. A copy of our risk assessment for St Peter's is also available on the website.

All tickets must be pre-booked by 6:00pm on Thursday 25th March (tickets will not be available on the door). Seats will be sold and allocated in blocks of 1, 2, 3, 4, or 5 seats; each block must only contain members of the same household or bubble who must all arrive together.

Single seats will be downstairs and blocks of two or more seats will be in the balcony. In most instances, ticket holders will be emailed details of the precise location of their seat/s, along with access arrangements, on Friday 26th March. If we don't have the ticket holder's email address, details of seat allocation will be available on arrival at St Peter's.

To allow the audience to be seated in safety, it is essential that you/your group arrive between **5:35-5:55pm for the 6:00pm performance**, and between **8:05-8:25pm for the 8:30pm performance**. Please note that latecomers will not be permitted to enter the church under any circumstances.

All audience members must wear a mask on entering St Peter's and for the duration of the performance, unless medically exempt.

It is a legal requirement that the church be ventilated during the concerts; as such, we need to keep windows and doors open. We therefore suggest you come prepared with warm coats, hats, gloves, scarves, etc. Also, we're afraid that the toilet facilities are not available for use (except in an emergency).

Despite all these regulations, Petros Singers very much looks forward to welcoming you to St Peter's, and to performing Fauré's beautiful music.
