

Here Comes the Summer!

Saturday 3rd July, 6pm and 8.30pm

Covid-19 arrangements

To ensure the safety of both performers and audience at these concerts, we have put the following measures in place. A copy of our risk assessment for St Peter's is also available to view on the website.

Seats are available to book on the website and will be sold and allocated in blocks of 1, 2, 3, 4, or 5 seats; each block must only contain members of the same household or bubble who must all arrive together.

Single seats will be downstairs and blocks of two or more seats will be in the balcony. In most instances, ticket holders will be emailed details of the precise location of their seat/s, along with access arrangements, on Friday 2nd July. If we don't have the ticket holder's email address, details of seat allocation will be available on arrival at St Peter's.

To allow the audience to be seated in safety, access to your seats will be available from **5.35–5.55pm for the 6pm performance** and from **8.05–8.25pm for the 8.30pm performance**. Please note that latecomers will not be permitted to enter the church.

All audience members must wear a mask on entering St Peter's and for the duration of the performance, unless medically exempt.

It is a legal requirement that the church be ventilated during the concerts; as such, we need to keep windows and doors open. We therefore suggest you come prepared with extra layers, as required. Also, we're afraid that the toilet facilities are not available for use (except in an emergency).

Despite all these regulations, Petros Singers very much looks forward to welcoming you to St Peter's, and to performing some joyful summer music.
